Thank you for recognizing the contribution Teachers/Educators make as positive affirming influences, often with life altering consequences that impact our youth.

We at SissyMarySue Education Fund nonprofit 501 (C) (3) wish to qualify that we believe most all teachers are worthy of an award for their service to our youth, especially in the last two challenging years. It is impossible to give the number of Awards teachers deserve in the Covid-19 Pandemic Paradigm especially. We seek to acknowledge every teacher in this writing. We are so grateful for you and your invaluable service to youth, their parents, our country and the world! We hope by recognizing eight Teacher/Educators per year this offers some small measure of appreciation for Teachers/Educators.

We have chosen to honor those Teachers/Educators nominated that have been recognized by you (peers, colleagues, classmates, students, family or friends) to possess hearts that embrace Equity and Empathy. These areas of heartfelt demonstrated aptitude in affirming and supporting our youth is what our 501(C) (3) Nonprofit SissyMarySue Education Fund seeks to reaffirm, celebrate & honor!

WRITE ABOUT YOUR NOMINEE

Please use these below questions as some writing prompts to help you compose your 3-10 pages to gush with detail about the Teacher/Educator you chose to nominate! Please have fun, be expansive, let us know why you support this person. If you are writing for your child- who is too young due to age requirement, -who loves a teacher...you can quote your child, without using their name but most definitely do use their words and ideas if you choose. **We value creativity!**

>>What compels you to nominate this Teacher/Educator?

>>Regarding EQUITY, what makes this Teacher's/Educator's "Art of Teaching" so impactful (if you choose this Award)?

>>Regarding EMPATHY, what makes this Teacher's/Educator's "Art of Teaching" so impactful (if you choose this Award)?

Please explain in detail how this teacher demonstrates this capacity in the classroom, virtual or in person? Please give examples in a written format. Please write on a separate Word document up to 3-10 pages. Send Word doc. or pdf. Please use at least 12-inch font. Although you can hand write, we prefer it typed on computer- but will accept written- if that is a necessity. Double spaced would be appreciated but do what you feel is best! We will accept it too- as a shorter more succinct written work of 2 full pages. We will give more attention to well crafted writing and presentations. The longer papers will likely fit the higher levels in education but not necessarily. If you are thoughtful and powerfully supporting a doctoral Professor that could be done in a few pages. If **Equity** and **Empathy** were both checked **two papers are required!** This represents two separate categories.

TALK ABOUT YOUR NOMINEE ON VIDEO! (two videos required- if two categories) Have fun, we value and love creativity too!

CREATE a 2–5-minute VIDEO to GUSH about your nominee on MP4 or as an **unpublished** YOUTUBE VIDEO and send us the link. Sorry, we can't use or process form if it is published. Please send to wmuhlhauser@email.fielding.edu

Each entry has a fee that corresponds to a level in education- since it is likely each ascension to another level will require more time for review and contemplation. SissyMarySue Education Fund respectfully asks for an administration fee. We ask for a donation for our review of teacher/educator nominees to offer our Awards for Teachers/Educators. If you use a Credit Card to offer this fee, since we are nonprofit, you can place a donation via our secured donation button <https://www.sissymarysue.org/donate> Let us know by email that you have made one, so that we can apply it to your application. We prefer this but you can send us a **money order or cashiers check** if you choose! We are sorry but do not take personal checks. Let us know if you need our Tax Id.
